cdlabelgen 4.1.0 © 2001–2008 Avinash Chopde <avinash@aczoom.com>

home page: <http://www.aczoom.com/tools/cdinsert/>

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

The Perils Of Pauline

The Perils of Pauline is one of the first damsel in distress serials.

The story is complete with undaunted hero, courageous damsel, unscrupulous villains galore, and other worldly interest. Before getting married, Pauline wants to experience the world and have adventures. When her guardian dies and leaves her an estate in trust of his secretary, adventures suddenly become more hazardous. Pauline charts aeroplanes, meets untrustworthy pirates, braves dangerous China Town, flies in a hot air balloon, adventures in the Wild West, encounters international spies, and escapes many other perils with the aid of her would-be fiance, Harry, and an Egyptian mummy.
